Historic Milestone Society Database

The Milestone society was established in May 2001, we aim to "identify, record, research, conserve and interpret for public benefit the milestones and other waymarkers of the British Isles". Our members' interests also include tollhouses, turnpike history and canal milestones. Please browse <http://www.milestonesociety.co.uk/> to learn more about the history of milestones and about restoration techniques, about our activities and our publications.
