4. Matters Arising from Last Month's Meeting.

4.1. Neighbourhood Plan.

The open evening for this event was well attended. A similar event will take place in the New Year. A report of the November meeting will be included in the Newsletter

4.2. Defibrillator.

We have been successful in obtaining a secure cabinet free of charge to be provided by Yorkshire Ambulance Service. The Liz and Tony Brammall Foundation, which Judith applied to in October, have sent £1000 toward the purchase of the defibrillator.
