

**Present:** Judith Temple (Chair) & Clerk

I met with the Chair prior to the meeting (after not receiving her email to advise not to attend) to explain the progress or in part lack of progress that has been made.

Highway comments received with some concerns for each site but not insurmountable.

Lady Bell – site at top of hill to be removed and one next door to Chairs house to be considered.

Mr Wrights land opposite water tower to be considered again.

**Mr Chapman – unable to make contact either by letter or Cllr Hugill personal visit. AM to write again.**

**It was agreed that the Chair report to members and AM to advise when all investigations completed.**
