We Sang Traditional Carols Round The Christmas Tree

In addition to the carol singing visits organised by All Saints Church, a small group of villagers gathered on Thursday 17th December and sang carols by the Christmas tree outside the Blue Bell Inn. Mulled wine and mince pies were enjoyed in the Village Hall afterwards and a collection of **£32.55** was taken to donate to the **British Red Cross Appeal** for a new emergency vehicle. We say a big "thank you" to **Jude Temple** and **Karen Wilde** for organising the smart new carol sheets, to **Margaret Rowling** who accompanied the singing, and **Ray Rowling** "page turner extraordinaire" to **Brian Wilde** for PAT testing the tree lights and to **June Wright** for providing the refreshments.

A round up at the end of 2015

There was no Parish Council Meeting in December as too few councillors were available. The next meeting will be held on **Thursday January 28th 2016 at 7.30pm**. Please make a note of it in your diaries. A fifth councillor will be co-opted at this meeting to bring us up to full strength again.

Remembrance Sunday

Thank you for your support. Our poppy wreath was laid at Ingleby Cross by **Len Harvey** during the short service of remembrance.

It was good to have **Major Allen** and **Lieutenant Read** with us in uniform, and laying wreaths too. Everyone was glad to escape to the warmth of the Village Hall to enjoy the mouth-watering refreshments being served. £100 was raised and shared between the Royal British Legion & the Village Hall Funds.

Village Hall News

George and Mon's Wine Evening was a sell out as expected. This raised a magnificent sum of over £700 and was an excellent evening. Thanks to everyone who helped beforehand, during the event, and afterwards. It was good to see some of our newer village residents enjoying themselves and getting to know one another.

The **New Year's Eve Party** was also a huge success and everyone enjoyed the three course meal. Proceeds from the Raffle were shared between the charity, **"Make A Wish"** (£100), promoted by **Mollie Rudd** (who donated some of the prizes), and the Village Hall (£200).

The next **Village Hall Committee Meeting** will be held on **Thursday 7th February 2016**, and not the January date previously notified. Every community group is urged to send along a representative. The Hall is available for use by all of us so come to the meeting with your ideas for activities and let us work together for the benefit of everyone.

Village Hall "100 Club"

This brings in much needed income to help maintain the Village Hall as a valuable resource for the community. The support of residents and friends is very important. For just £15 a year all members of the club have a chance of winning a cash prize in every monthly draw. Please contact **Clifford Rudd** on **(01609) 882586** for more details if you are new to the village and would like to join.

Neighbourhood Plan Update

The Parish Council cannot make much progress until we find out what the new Hambleton Local Plan will include about housing numbers.

We thank the volunteers who have made it known that they are willing to help us with the Neighbourhood Plan in the spring when we can apply for a grant and start our own consultation process.

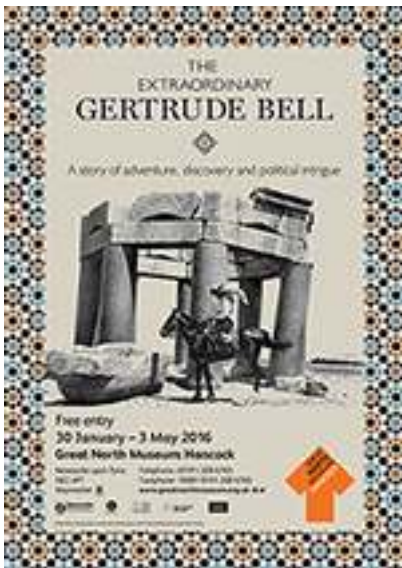

Public drop-in sessions about changes to the Local Plan are being held at venues near us:

To learn more, please attend one of the sessions listed below:

Northallerton Town Hall, Lower Hall, Northallerton, Tuesday, 19 January 2016, 2pm to 7pm

Stokesley Town Hall, Stokesley Room, Stokesley, Thursday 21 January 2016, 2pm to 7pm

The Extraordinary Gertrude Bell is a new exhibition showing from **30 January - 3 May 2016** at the Great North Museum, Newcastle. It features content drawn from the Gertrude Bell Archive with significant loans from the British Museum, Imperial War Museum and others to tell her unique story of adventure, discovery, and political intrigue.

If there is sufficient interest from the village and friends a group visit by coach may be arranged.

School Photographs

Ruth Eastham, who works with the children in their school garden, is seen here helping a group of Key Stage 1 children to plant bulbs for a colourful spring show.

Mrs Gwyneth Gulliman, retiring Head Teacher, is pictured with Teaching Assistant, **Mrs Donlha Marriott**, being presented with flowers and cupcakes to celebrate her 60th birthday.

The school Christingle service took place in the Methodist Church. This was a poignant occasion as the building is now to be sold.

Neighbourhood Watch - Advice from North Yorkshire Police

Cybercrime is a real threat across the UK, including in North Yorkshire. Since 1 April 2015, 624 cyber-related incidents were reported to North Yorkshire Police, ranging from online bullying and Child Sexual Exploitation to holiday fraud and identity theft.

Take measures to secure all mobile devices, against thieves, hackers and online criminals. Install anti-virus scanners and malware removal software. For phones and tablets, tracking devices are really important.

Anyone going online should think carefully about the information they are publishing. Modern day criminals have the technology and ingenuity to piece together data and personal information in order to target you via the internet. Don't publish anything that could threaten your personal security and safety.

North Yorkshire Police have produced an 'app' which offers bespoke security advice for your smart phones and tablets. Get it here:

For more information about online safety and security visit

Beware of courier scams - such as have been in Ruislip, London, where a resident received a phone call from a fake 'courier' company saying a parcel was on its way. On arrival, the recipient was asked to pay a small delivery charge by credit or debit card. Unknown to them, the handheld machine was used to clone their card and later to withdraw a large amount of money from various cash machines.

Be wary of accepting any surprise gift or package, which you neither expected nor personally ordered, especially if it involves any kind of payment as a condition of receiving the gift or package. Never accept anything if you do not personally know, or there is no proper identification of the sender.

Paper copies of this edition of the Newsletter are being distributed to all residents as we know some people do not check emails very often. If you prefer to receive future Newsletters in paper format please let us know. Unless you contact us we will assume that those on the e-list are happy to continue to receive the pdf version.

Good Neighbours in our Community

Information about our Good Neighbours scheme is enclosed with this Newsletter. Any resident who suddenly has a problem should call someone on the list, who will try to arrange appropriate help.

If you are not on our database of volunteer helpers but would like to be, please have a word with one of the councillors.

We have been warned that some elderly people are being targeted with abusive letters or money scams. If you hear of this happening to anyone please phone 101 without delay and the police will pass the details to the appropriate agency.

I have some very big shoes to fill this year at Ingleby Arncliffe C of E Voluntary Aided Primary School. It is with great pride that I take over from the much respected Mrs Gulliman. My name is David Sims and I have been the head-teacher at Swainby and Potto C of E VA and Osmotherley Primary Schools for the last few years. I now have the pleasure of being the head-teacher of Mount Grace Federation. The federation encompasses all three primaries and we are working hard to become one coherent educational establishment that offers the best educational deal possible to all of our children and families.

We see the federation as the best of two worlds. We are able to offer the larger teaching resource of a big school, while maintaining the nurturing family approach of a small rural school. In fact our tagline is '**small schools, big family**'.

Being a parent myself, I understand education from both sides of the coin. A school is more than just a place of learning, it can and should be at the heart of the local communities. A lot of hard work went into the design of Mount Grace Federation and the governors, staff and I feel confident that it will offer us the best opportunity to grow each individual school within it. I would love the opportunity to meet more people from the local communities and welcome all contact. If you would like a look around any of the schools, please don't hesitate to get in touch.
