150 copies of the progress up to date to be distributed round the village once Hazel has arranged for them to be printed. Members of the group to pick up the copies from Hazel

HDC SITE REVIEW

Caroline Skelly has finally replied to the letter of complaint that George sent to her. Copies of the reply have been distributed to members of the group. The Far field site will still be included in the N P even though HDC have not recommended it, so villagers will have a choice of where they want the housing development to be.

GEORGE will get in touch with her and explain the situation of the School site and who owns the land

NEXT OPEN MEETING

A diagram showing all 4 sites to scale is required for the open meeting, including all the land offered at the Far Field and the area we are hoping to develop on outlined.

SUE offered to find out more information including the cost, KEN has also offered to find out more information

GRAIN STORE SITE

Layout and visuals – Andrew is to show us first for our comments. GEORGE will get in touch with Andrew to see what progress he is making

OPEN MEETING
