

PARISH COUNCIL NEWS

THE NEWSLETTER FROM INGLEBY ARNCLIFFE PARISH COUNCIL

News from the Chair

It's been a busy few months for our parish councillors with surveys and questionnaires from HDC and NYCC to complete on Housing Settlement, Libraries, Bus Services, and School Transport etc. in addition to our usual duties.

I will be standing down as Chair this month after almost 2 years but will still remain as parish councillor. In those 2 years the parish council has made great improvements in the appearance of the villages with the attractive village signs and map, new street signage and notice-boards. We had some improvements to our road safety and markings plus a new defibrillator. Thank you to everyone for your support and help over this time.

Second Defibrillator

We were very lucky to be awarded a free complete unit and cabinet, courtesy of the Clinical Commissioning Group. Thank you Hazel for arranging this. The new unit has been collected and will soon be put in place in Ingleby Arncliffe. We have funds in the account which will cover running costs and maintenance and also pay for replacement in the future.

Hambleton Community Awards

Tim Roy was nominated for Citizen of the Year for the sterling work he does to make our community safe as Neighbourhood Watch Co-ordinator plus countless other contributions such as research of names of our war memorial, keeping the paths mess free and so on. He was shortlisted from many nominations and reached the final three. Well done to Tim.

I was also proud to be nominated for an award for my contribution to the community in fundraising for the defibrillator and obtaining the cabinet and unit for Ingleby Cross.

War Memorial

There are still some gaps in our records regarding the names on the memorial. If you can help with any information, please contact Tim Roy or myself.

Dog fouling continues to be a problem..... but some good news After a particularly dreadful period whereby signs have been vandalised, mess not been cleared up, bags of mess left on fences and bushes, we had to make reports to the Dog Warden at Hambleton District Council. As result there is now another enforcement area along the side of the school leading to the Recreation Area and regular patrols are in place.

Please note that dogs are not allowed **OFF THE LEAD** in public areas - including the Recreation Area.

Annual Parish Meeting Wednesday 20th May at 7pm

You are invited to come along to the Village Hall, Ingleby Cross and hear the reports of your Parish Council.

Guest Speaker ***Adele Wilson - Hambleton District Council***

This short meeting will be immediately followed by the Parish Council AGM, incorporating the May PC meeting.

Neighbourhood Watch

Rural Watch

The Police are still looking for volunteers who are willing to assist with their Country Watch Patrols. They usually arrange two to three patrols per month. The mid April patrol resulted in 15 vehicle checks, leading to one arrest; one cannabis warning; one person reported to court for No Insurance, and Driving Not in Accordance with Licence; and another person reported for Permitting No Insurance, and Permitting someone to Drive Not in Accordance with their Licence. This was a result of some excellent sightings from our Country Watch Volunteers.

If anyone is interested please could you contact PC1557 Catherine Skelton or PCSO4829 Pete Lewis at Stokesley Police Station or by email to: Catherine.Skelton@northyorkshire.pnn.police.uk.

Special Recruitment

North Yorkshire Police are on the hunt for people with that "Special" quality, as the force launches its campaign to recruit a new intake of Special Constables.

Special Constables are volunteers, who commit at least four hours of their time per week to keeping communities safe. "Specials" go through a rigorous training programme before they qualify to go out on the beat, where they work alongside regular police officers covering a wide range of different duties - anything from policing public events, to tackling anti-social behaviour or attending emergency incidents.

North Yorkshire Police currently has more than 160 Special Constable volunteers, who come from a wide range of backgrounds and professions, including teachers, airline cabin crew, office workers and archaeologists.

The force is hoping to recruit a further 100 Specials as part of a wider programme to boost the number of citizens involved in policing, and enhance links with all parts of the community in North Yorkshire.

Anyone who is interested in becoming a Special Constable can visit www.nypspecials.com for more information and an expression-of-interest form.

Tim Roy Neighbourhood Watch Co-ordinator

Community messages and alerts from North Yorkshire Police are sent to residents via a secure e-list. Contact Hazel Warhurst if you would like your email address added to the list. (See back page)

A Cautionary Note

Whilst delivering leaflets in Ingleby Arncliffe and Ingleby Cross during the warm weather in April, one of the District Councillor candidates noticed that a lot of people had left their front doors open; and one person had locked their door but left the keys in the lock. Please consider keeping your front door locked even when you are at home, as it only takes seconds for an opportunist thief to make off with valuables or vehicle keys which are within reach of the door.

Ingleby Arncliffe School News

A decision has been taken by the governors of three local schools, Ingleby Arncliffe C of E Voluntary Aided Primary School, Swainby and Potto C of E Voluntary Aided Primary School, and Osmotherley Community School, to move forward as **Mount Grace Federation** from September this year.

All three governing bodies believe that this decision will ensure all the children are given the best possible educational deal that can be offered, and will provide a more secure and sustainable future for our primary schools within our village communities.

Welcome Wednesdays
held each week at our Village School
and are open to all residents and friends

A warming, tasty and nutritious 2 course meal
for only £2.99

Come and eat with the children on any Wednesday, at 12.00 during term-time; chat with neighbours and make some new friends.

Just let the school know by 12.00pm on the previous Friday that you would like to join us.

Introducing Adele Wilson

Stronger Communities Delivery Manager (Hambleton)

(Guest Speaker during the Parish Council AGM)

Adele Wilson is one of the newly appointed Stronger Communities Delivery Managers at North Yorkshire County Council, covering the Hambleton district. Adele's background is entirely in Local Government, working in various areas including regeneration and planning, but more recently in the field of community safety and engagement, focussing on neighbourhood regeneration and development, and voluntary sector support before joining the County Council in October 2015.

Stronger Communities is an ambitious new programme by North Yorkshire County Council which seeks where appropriate to support and work collaboratively with local communities to build local resilience, and to develop, create and enhance local solutions to delivering a range of services, at a time when the authority is facing a significant financial challenge. The initial four priorities of the Programme include:

- Libraries;
- Children and Young People;
- Community Transport; and
- Services for Older or Vulnerable People.

The Programme is led by Marie-Ann Jackson, Head of Stronger Communities and is supported by a team of Delivery Managers for each of the district areas in North Yorkshire, who will help the community and voluntary sector to access the full range of support being offered including the potential transfer of assets and buildings into community ownership, some start-up grants, training and access to on-going specialist advice, support and development.

At the Parish Council AGM, Adele will speak in more detail about the Programme, what progress has been made to date across the four priority areas and how communities can engage with, and access some of the support that is available through the Stronger Communities Programme.

Dog Fouling Update

Although less frequent than during the first quarter, deposits are still being left on the footpath past the school and the Recreation Area. This is disgraceful and totally unacceptable given that families and youngsters use the path.

Other areas where dog fouling problems persist are the first section of Green Lane, the footpath behind Priory Way and Hillside, the footpath down to Ingleby Cross and the grass verges of the old A172 leading towards Kilton House. There can be no excuses for deposits being left and we expect dog walkers to pick them up in these areas too.

Green Open Homes Event and Energy Information Session in Great Ayton

Two dates which may be of interest to some of you.

On Saturday May 16th, from 11am to 4pm, there will be a chance to see what other people have done to reduce their carbon footprint and save money during a Green Open Homes Day. Come and chat about the practical aspects and the realistic savings to be made. At Heatherley, Dikes Lane, Great Ayton, TS9 6HG, you can talk to people who have solar thermal panels, biomass boilers, PV panels, see low cost options like draught proofing and how a ground source heat pump operates. Along with refreshments, there will also be information about other technologies, the Renewable Heat Incentive and Feed-in-Tariffs.

Visit <http://moor-sustainable.greenopenhomes.net> to see where the other properties are and what is on show at each property, e.g. a wind turbine in Great Ayton and PV panels in Guisborough. Moor Sustainable CIC, who are organising the event, are a local not-for-profit organisation. For more information, ring 01642 723137 or email info@moorsustainable.org.uk.

If the Green Open Homes event inspires you, more help is at hand on Thursday May 21st at Great Ayton Village Hall. Yorkshire Energy Partnership and Hambleton District Council are holding an information event from 3 to 7pm where you can ask questions and discuss what is most suitable for your property and talk to installers and manufacturers. To reserve a place or to chat to one of YEP's friendly advisors, ring 01904 545020.

Friends of Ingleby Arncliffe School will be holding a family barbecue in July. Provisional date - 11th July.

More details and posters nearer the time.

Face book users please use this link to visit the Friends page and keep up to date.
