

PARISH COUNCIL NEWS

THE NEWSLETTER FROM INGLEBY ARNCLIFFE PARISH COUNCIL

Freda Garrett, oldest village resident (95), with Vera Rudd at her 90th party

On Saturday, 11th July, Ingleby Cross Village Hall was the lively scene of a happy gathering of family and friends from far and wide.

Vera Rudd has lived in Ingleby Arncliffe all her life, and her family arranged a surprise party to mark her 90th birthday. The village shop and post office was operated for many years by Vera and her late husband, George, from their home in Hill View. It was an important meeting place, where a warm welcome, along with the smell of delicious home-made bread, cakes and pies, greeted everyone. Happy Birthday, Vera!!

View from the Outgoing Chair

Many thanks to everyone who has helped during my time as Chair of the Parish Council. I have received support from colleagues, made many new friends and learned a great deal in the process. I have enjoyed my two years or so and continue to be involved in the community. We should be very proud of the community we have here in Ingleby Arncliffe parish, helping each other and joining in with events. I do think it is a rare and precious thing, the spirit we share here and long may it continue. The recent Open Gardens weekend was a huge success and testament to this. Keep on keeping on! Best wishes to all.

Judith Temple

New Chairman

Home is where the Heart is, a well known saying which describes a feeling of ease and comfort and safety, it very much describes the way I felt when moving to Ingleby Arncliffe with my wife and son some 8 years ago, and continues to this day. Add into that the location and we have found our perfect place, a home with heart. The village demonstrated this on a grand scale recently during the open gardens, so many happy visitors and local people commented on the atmosphere that day.

So what an opportunity I have as the new chairman of the parish council to try and build on this and see what else we can achieve and add to the great work that has gone before.

My past is very varied and full of stories that as people who spend any time with me will know I am happy to go on about. (Yes I can talk!).

Born in York, 1962 grew up in New Earswick a village trust. My CV includes, mechanic, military, police service, fish farmer, water services, fireman, beef and sheep farmer, village hall manager, run weddings, bar work, and even a ballroom dancer. Spent 4 years living on an Island in the Hebrides where I gathered the skills I have today, to work, self employed, maintaining property.

Moving forward we have five very good people on the parish council who I know have the interests of the parish at heart, my first hope would be that we could increase the numbers attending the meetings as we look at commencing our Neighbourhood Plan application, it needs input from the community.

Les Sutton-Haigh

Open Gardens 2015

Give yourself a pat on the back if you opened your garden, baked cakes, helped in the Village Hall, Methodist Church, School, Water Tower, Victorian glass houses, with the Scarecrow Trail, Classic Cars, Car Parking. If I have forgotten you, I apologise.

It was a fantastic weekend with the village full of visitors, enjoying the fine weather and thank you all very much for your hard work. The 16 gardens open received good comments from visitors from Barnsley to Sunderland.

Programme sales were up from 390 in 2011 to 520 this year, helped by articles in the D&S Times, Northern Echo and on the Open Garden website.

What did we raise?!!!! **£4,714.43** Again, pat yourself on the back!!!

This will give a number of our village groups a good boost to their funds. We have nine organisations that will benefit, each receiving **£517.50**.

it has been agreed that we will donate the remaining £56.93 to the Open Gardens website [voluntary run] as a thanks for them promoting the weekend.

Hopefully you all enjoyed it so much that in 2019 even more of you will do it all again!!!

Ken Jones

Competitions in the Water Tower

Winner of ***Find The Snitch*** was Emmeline McGloin

Winner of ***Guess the Number of Sweets*** was Jeremy Hunter

Scarecrow Trail

Well done to everyone who made a scarecrow. We had some truly wonderful displays of craft and creativity and many visitors said it was the best they had been to.

In all there were 24 scarecrows entered and 51 trail sheets sold. Of the 20 entries received there were two complete, correct entries who shared the prize – Emmeline McGloin from Stokesley and Joanna Shackleton from Ingleby Cross.

As we had to cover our costs, with so few sheets sold we decided to judge the entries for the two days together and award one set of prizes.

Not everyone voted for their favourite scarecrow so it must have been a difficult decision due to the very high standard of the entries. Votes received were as follows:

Mon & George Hunter: **Busker** 10 votes - £10 prize money

Teresa Marsay: **Mary had a little Lamb** 2 votes - £5 prize money

Jude & Glyn Temple: **Wallace and Grommit** 2 votes-£5 prize money

There were four scarecrows with just one vote so we drew the names from the hat and the third place went to Val and David Wright's **Horse and Jockey**. The prize was a box of M & S chocolates.

If you still have your scarecrow, why not enter it into Osmotherley Show?

Oil Club News - could be of interest to newer residents

We have 70 members at present and so far in 2015 we have ordered 72,000 litres of oil at an average price of 33.47p per litre before VAT which is 5% on fuel. The prices we have managed to agree for our members are on average 3p to 5p per litre less which is a saving of at least £2,160 which I am sure you will agree is a massive amount.

For those not already members, the oil is ordered every 2 months at set dates throughout the year. The minimum order quantity is 500 litres. The orders are collated and added to those from Osmotherley and Borrowby areas and a total price negotiated. I then send my order to the successful supplier and inform you of the price details and delivery. I am a volunteer and don't receive any payments or benefit other than the same price as everyone else in the club – just in case anyone was wondering.

If you are interested in joining, you will need an email address or an email buddy to act for you due to the number of members now. Please contact me for an application form:

jude.temple@btinternet.com

Our next order will be in July 2015. Please let me have your order by 7 pm on Tuesday 28th July 2015 - last order dates are Tuesday 22nd September and 24th November 2015.

Thanks a lot.

Judith Temple - Voluntary Co-ordinator

Second Defibrillator

Thank you to the Atkinson's Coach company for offering a place to site the new defibrillator at their Depot.

East Harlsey Parish Council have recently installed a Defibrillator. They will be holding an **Awareness Session** about its use in East Harlsey Village Hall on **Wednesday, 29 July, from 7 pm**. If you missed our own session on 14th February you will be very welcome to join this one, with trainer Patrick Murphy.

Parish Council

Dog Problems

For two weeks from the middle of June, a deposit was left daily on the footpath alongside the school playing field. They were unusual in having a white tip at one end. Despite marking them with white paint and placing signs next to them, the deposits continued until suddenly stopping on Saturday 26th June. The current thinking is that they were left either by a wild animal or a large bird which has now moved elsewhere. Please be observant when using this footpath in case the problem starts to recur.

Elsewhere some very large, dark deposits are being left in the first section of Green Lane, and problems persist on the verges from Ingleby Cross towards and beyond the sewage works. Signs are being placed in these areas by local volunteers.

If you see anybody not clearing up after their dog, please report details to a member of the Parish Council so that appropriate action can be taken.

Dogs off the lead

Some residents are nervous when they encounter a dog off the lead, particularly if they are walking their own dog on the lead. Please be considerate and know where your dog is at all times. Dogs getting out from gardens and running off can be a nuisance to others, or a danger if they run on to a road.

Parish Council

Important community messages and alerts from North Yorkshire Police are sent to residents via a secure e-list.

Contact Hazel Warhurst if you would like your email address added to the list on hazndaz@warhurstfamily.co.uk.

"The Moors Bus Rides Again!"

The National Park Moorsbus Service of 30 years ended in 2013. However a new but reduced service has been re-started after a campaign by Friends of Moorsbus.

From 5th July until the end of September 2015, the Moorsbus Community Interest Company will run two Sunday/Bank Holiday buses. The buses and drivers are provided by Arriva North and cover Darlington, Teesside, Saltburn, Redcar, Guisborough, Stokesley, Osmotherley, Danby, Castleton, Northallerton, Thirsk, Sutton Bank, Hutton-le-Hole, Helmsley, Kirkbymoorside and Pickering.

These services are timed to meet those of other operators (EYMS, Coastliner, Arriva, Stephenson's, Esk Valley Hopper, Northern Rail), with some through and shared ticketing to encourage more passengers onto all services. We also accept English Concessionary Bus Passes. Children travel free with a fare-paying adult.

Tight connection times with other services at Guisborough and Helmsley have meant we cannot, unfortunately, drive into Ingleby Cross this year. We hope that adjusted timings in 2016 will make it possible. For 2015, our Moors Endeavour bus does travel down the A172 and will pick up or drop off passengers who are bold enough to use this main road-side.

We are very grateful to the Parish Council of Ingleby Arncliffe for making a donation to help us re-start the Western route this year.

The 2015 Moorsbus services have been funded by donations from Parish Councils, from passengers, from the North Yorkshire Moors Association, from Thirsk Tourist Information Office, and from the fares and pass rebate collected in 2014.

We aim to increase spending in the visitor economy, encourage foreign tourists who often come without cars, increase health and well-being for all by enabling walking and days out, and reduce the traffic congestion and pollution caused by private cars in the National Park.

The Moorsbus Community Interest Company and Friends of Moorsbus are small teams of volunteers and we would welcome any help or ideas to promote our services. For more information you can visit our new website, www.moorsbus.org, or phone us on 01751 477216.

We are also on Twitter @Moorsbus, and on facebook as friendsofmoorsbus.

Helen Gundry

Moorsbus C.I.C & Friends of Moorsbus

Editor's note:

The Parish Council made a small donation but we would encourage any individuals who feel able to offer financial support to ensure the future of this excellent facility, to contact Helen direct. Time tables will soon be available for you to pick up in the Blue Bell and the Village Hall.

Parish Council 2015-2019

Les Sutton-Haigh - Chair	(01609) 882731
Hazel Warhurst - Finance Officer	(01609) 882442
Judith Temple	(01609) 882131
George Hunter	(01609) 882410
Ruth Eastham	(01609) 882336

Clerk to the Parish Council: June Wright (01609) 882556

Monthly meetings are held on the last Thursday in the month at 7.30pm in the Village Hall, Ingleby Cross. Items for inclusion on the Agenda should be sent, or given to the clerk two weeks in advance at iapccclerk@hotmail.com or at 1, Arncliffe Hall Cottages, Ingleby Cross. All residents are welcome to attend the meetings and have a say.

Neighbourhood Watch

The Police urge all residents to keep buildings and outbuildings safe and secure at all times. PLEASE report any suspicious activity or vehicles to them on 101.

Tim Roy

Reminder - Annual Village Sports Day 5th September

School Holiday dates took us by surprise this year as we aim to hold this event on the first Saturday of the autumn term. The children are not back until Wednesday 9th September this year. Posters giving details of this great event will be going up very soon, but please make a note of the date in your diaries now.

The afternoon starts at 2pm with traditional races followed by the famous **"Booster Run challenge"**. Refreshments are available from the start and we look forward to the Barbecue at 4.30pm, expertly cooked for us by Adrian Hillary and his team.

Games and food will be in the school if the weather lets us down. Tickets go on sale in mid August and, as usual, offers of help beforehand and on the day are always needed.

Ingleby Arncliffe School News

Small Schools, Big Family

From September this year Ingleby Arncliffe School will be part of the Mount Grace Federation, sharing an Executive Head Teacher with Swainby & Potto and Osmotherley Schools. The existing Head of Ingleby, Mrs Gwyneth Gulliman, will be Associate Head until she retires in December and although she will not be teaching she will be using her many years' experience, working alongside the Executive Head to bring the three schools together as seamlessly as possible.

Information about the timetable, class teachers and transport has been sent out to parents and excitement is building! The Federation provides a tremendous opportunity for the children from both an academic and a social perspective and the community benefits from retaining its own school for the foreseeable future.

Governors and staff appreciate the interest and support from residents over the years and very much hope this will continue in the new chapter of the school's story.

Joyce Bean - Chair of Governors
