Ingleby Arncliffe and Ingleby Cross War Memorial

Valuable research work has been carried out in the three years since we first included details about our War Memorial. We are indebted to Tim Roy for undertaking this work on our behalf.

Annual Parish Meeting

Thursday 27th April
at 7pm

You are invited to **Ingleby Arncliffe Primary School** to hear the reports of your Parish Council from 2016-2017.

This short meeting will include essential Parish Council business and replaces the ordinary April Parish Council meeting.

The school is accessible for those with mobility problems.

The formal part of the meeting ends with a Guest Speaker:

**Linda Milsom - Yorkshire Ambulance Service
Community Defibrillation Officer**

She will take us through the basics of how and when to use a Community Defibrillator. It will reinforce what we heard in the first familiarisation session in the Village Hall two years ago.

Refreshments will be served at the end of the meeting

We hope to see you in the School Hall on Thursday

Ingleby Cross War Memorial

Significant events occur in the next few weeks: the 100th anniversaries of the deaths of two of the five soldiers commemorated on our war memorial and the capture in battle of a third.

I have been researching the biographies of the men and the following is a brief summary:

Captain Christopher Pease, Yorkshire Hussars – killed in action on 19th May 1918, just over 3 miles south of Givenchy-lès-la-Bassée which is 5 miles east of Béthune. He is buried in Mazingarbe Communal Cemetery Extension.

Sergeant Thomas Vasey Adamson, Yorkshire Regiment – killed

in action or died of wounds on 26th March 1918 near Rosières-en-Santerre, about 18 miles south-east of Amiens. He is buried in Moreuil Communal Cemetery Extension.

Private Edward Granger, Lincolnshire Regiment – died of wounds or ill health on 2nd June 1917 in Dover Military Hospital, probably having been brought back from active service in France or Belgium. He is buried in the church yard of St. Mary the Virgin, Leake, near Thirsk.

Private Albert Medd, West Yorkshire Regiment – missing in action on 3rd May 1917 just east of Gavrelle, which is about 5 miles north-east of Arras. His body has no known grave. His name is commemorated on the Arras Memorial to the Missing.

William Stockdale – served with the Yorkshire Regiment, and was captured on 23rd April 1917 about a mile east of Wancourt which is 3 miles south-east of Arras. He was held prisoner until the end of the war. He died at home on 19th March 1924 from the effects of the war. He is buried in the church yard of All Saints Church, Ingleby Cross.

Their detailed biographies are now on our website:

<http://www.inglebyarnccliffe.org.uk/ingleby-cross-war-memorial.html>

I used extracts from war diaries to indicate on copies of WW1 trench maps the locations where the men fought their final battles. These can all be found on our website.

The search continues for living descendants of Sergeant Adamson and Private Medd, but I have contacted some family members of the other men.

Also on the website are details of the new panels fitted to the war memorial in 2001; photographs of the repairs and re-instatement of the war memorial after it had blown over in 2005.

News from North Yorkshire Fire and Rescue Service

A useful meeting took place between representatives of the Parish Council and members of the Fire and Rescue Service, following our request for more clarification of a report into the Parklands Fire a few years ago.

North Yorkshire Fire & Rescue Service offers a free home fire safety visit for residents. This visit involves fire service staff coming to your home to give you advice on fire safety in the home, actions you can take to reduce the risk of fire, and discuss escape routes should fire occur.

As part of the visit the fire service staff may identify that you need smoke alarms fitting in your home if you don't already have them, or that existing faulty alarms need replacing.

You can book a fire safety visit by telephoning the Fire Safety Advice Line : 01609 788545 or by filling in a form online

On a date to be decided, a Fire Appliance will come to the village and be parked in the Main Street near the school. Residents will have a chance to look inside and see how new technology in Fire Appliances provides useful information to the crew attending an incident.

Neighbourhood Plan

In February we held a well attended Open Meeting for the community. The purpose of the meeting was to report back on the outcome of the Housing Survey, conducted in August 2016, and its analysis by Hambleton District Council. We now have a clear picture of the number of properties needed over the next five years and the range of "ownership" arrangements required by those in need.

We have spoken with all landowners in the parish and identified four parcels of land that can be made available for new property developments over the next 15 to 20 years. These sites have been offered to Hambleton District Council and the North York Moors National Park Authority, with a view to them being incorporated into the long awaited revised Local Plans. The sites are undergoing a range of assessments by both authorities to see if they are suitable for property development. If so, they will appear in the revised Local Plan.

As soon as the authorities have completed their assessments and given us their conclusions we will hold another Open Meeting to inform the community of the position we are in regarding the first site to be developed.

From Our Local - The Blue Bell Inn

This time last year the Lill family had just started redecorating the bedrooms and were gradually putting their stamp on The Bluebell.

In early April they wrote on their face book page that they had served a record number of meals on April 5th and that they would like to say a massive thank you for the continued support they have had this year from "our amazing locals and brilliant staff!!"

They have signed up with "*The Pub's The Hub*" to try out new ways of providing services to village residents.

One idea being explored is to try to arrange for the Mobile Library to call at the pub and provide a drop off/pick up books service. Would any of you find it helpful to be able to return or collect your books at the pub? Why not call in next time you are passing and give them your suggestions?

From The Chair

The Parish Council's activities over recent months have been concentrated on two areas, primary school consultation and further activities on the Parish's Neighbourhood Plan.

The outcome of the school's consultation did not provide a positive conclusion for either Ingleby Arncliffe or Swainby schools with the latest proposals putting forward the closure of both schools.

The Council will continue to press the case for the provision of local church primary education to be based within the Parish and welcomes the widespread support of Parish residents.

Latest School News

Mr D Jackson
Chair of Governors
has circulated this report:

At its governing body meeting on 3rd April 2017, the Governors of Ingleby Arncliffe and Swainby & Potto Church of England Voluntary Aided schools voted to undertake a consultation process to close both schools. This decision was based upon a number of facts to be fully explained in a consultation document that will be the subject of a public meeting. It is expected that a new formal consultation process would commence on 24th April 2017. If governors decide to proceed with the proposals to close both schools following consultation, a final decision would be taken by North Yorkshire County Council in the autumn term.

Child's Slide Free to a Good Home

This 225 cm long slide has served 25 years as a normal slide and water slide (garden spray not included) for our grandchildren.

The metal frame has corroded away but the plastic slide is almost as good as new.

If anyone can re-use it by attaching it to an existing structure or constructing a new support and steps they are welcome to collect it for free from Ruth Eastham at Chapel Garth (01609) 882336

Wheels 2 Work

Problems travelling to work, training or education? We have the answer – *Wheels 2 Work* (a not for profit charity) has a fleet of mopeds for loan. Since its launch in 2001 hundreds of local people have benefitted from the scheme.

Successful candidates receive a moped, safety equipment, insurance, tax and bike servicing for a small weekly contribution. To be eligible for the scheme you must:

- ◆ Live in North Yorkshire:
- ◆ Be 16 or over:
- ◆ Have no suitable transport to travel to work, training or education:
- ◆ Hold a provisional licence:

MoorsBus Services

The Parish Council recently made a donation in support of the "*Moorsbus Community Interest Company*"

Helen Grundy thanked us and writes:

"In 2016 we ran a service every Sunday and Bank Holiday in July, August and September. along the A172 past Ingleby Cross. The drivers will always stop at the crossroads for passengers to alight.

In 2017 we will be extending the service to run from 1st May to the end of September, and there will be four buses per day, two in each direction. They will connect with our **M4** at **Stokesley**, travelling to **Bilsdale**, and also take passengers via **Northallerton, Thirsk, Ampleforth, Byland and Helmsley on our M5.**

We aim to bring benefits to you and to other Parishes which are social, economic and environmental.

New timetables are at the Printers and will soon be delivered to villages along the routes. You will be able to pick one up from the **Blue Bell Inn**, and posters with information will be posted on the Parish Notice-boards.

We are Friends of Moorsbus on **Facebook**, and Moorsbus on **Twitter**, please "like", "follow", "retweet" if you use these".

Sports Day 2017— 9th September

Put this date in your diaries now. It's the first Saturday after the school Autumn Term begins.

For those who have not visited Ingleby Villages Recreation Area yet, just stroll down the footpath next to the school main gate.

The surface of the footpath is much improved thanks to remedial work organised by Andy Brown of North Yorkshire County Council.

We need lots of help to make our Sports Day a success and raise money for the upkeep of the Recreation Area. There are many ways for volunteers to get involved. Transporting tables and chairs down to the field, and back at the end of the day; helping to mark out the track for races, or selling raffle tickets; taking a turn on the Refreshment and Bar rotas, giving out winning stickers, baking cakes, preparing salads serving food during the barbecue and - very important - helping to clear things up at the end of the day. Please give your name to Ruth or Hazel as soon as possible so we can start planning.

Ruth: (01609) 882336

Hazel: (01609) 882442

The number of helpers on the day has dwindled in recent years.

We need positive offers so that Sports Day can continue.
