(Proceeds for upkeep of the Play Area)

Parish Council Matters

On 25 May 2018 the General Data Protection Regulation (GDPR) came into force. As your personal data is extremely important to us we are fully committed to these regulations.

The Government has agreed that Parish Councils need not appoint Data Controllers, but if you wish to know what personal data we hold on you, or would like us to remove your personal details from our records, please contact Susan Stephenson our Parish Clerk.

Email address: clerk@inglebyarncliffe@btinternet.com

Postal Address: 2 Arncliffe Hall Cottages, Ingleby Cross DL6 3PD

We've also updated our privacy policy, available on our website <https://www.inglebyarncliffe.org.uk/accounts-policies--procedures.html>. We confirm that we will only use your address to send you:

1. Information from your Parish Council.
2. Details or Information on events taking place either in the Parish or nearby locations.
3. Community messages.

Items in 1. above are normally circulated by Councillor H Warhurst on behalf of the Parish Council.

Latest Update - Parish Neighbourhood Plan

The steering group has this month appointed a consultant to help with the preparation of three important sections of the Neighbourhood Plan that require a professional input. The consultant chosen is from this region and has a wide experience of Neighbourhood planning. This will help us to complete our N. Plan and submit it for examination before the end of this year. The full cost of employing a consultant will be met by a government grant that we are now in the process of applying for and are confident we will receive.

Every effort is being made to find a use for the school premises. If no suitable activity is forthcoming the Diocese of York and North Yorkshire County Council may be forced to consider the use of the combined sites for future housing. At the same time, we are still discussing with parish landowners the possibility of finding a parcel of land that could be released at an early date, to accommodate the housing scheme that has been drawn up from the results of the many housing surveys conducted within the parish.

George Hunter - Chair of Steering Group

Interested in having a home visit from North Yorkshire Fire and Rescue Services?

Your Parish Council would like to make residents aware that North Yorkshire Fire and Rescue Services offer a home visit to assess fire safety in residents' homes, completely free of charge.

If there is sufficient interest, the Fire Service would be invited to bring a fire tender one Saturday and park it in the school layby where your children or grandchildren could take a closer look. Residents may be interested to see the computer data logger which is used on site when the tender is called to a fire.

A home visit involves fire service staff coming to your house to give you advice on fire safety in the home, actions you can take to reduce the risk of fire and to discuss escape routes should a fire occur.

As part of the visit the fire service staff may identify that you need smoke alarms fitting in your home if you don't already have them, or advise that existing faulty alarms need replacing.

We need to gauge the level of interest in order to justify the Fire Services coming out to our village. If you might be interested in the visit, then please let us know by emailing our Parish Clerk at

clerk@inglebyarncliffe.btinternet.com

or speak to a Parish Councillor.

You can also book a home visit directly by using the link below:

<http://www.northyorksfire.gov.uk/communitysafety/smoke-alarms>

Parish Council

Monday	09.30-16.00
Tuesday	09.30-16.00
Wednesday	09.30-16.00
Thursday	09.30-16.00
Friday	09.30-16.00
Saturday	09.30-16.00
Sunday	10.00-16.00

“Atlantic Adversity”

Janet Roy

On Saturday 14th April Duncan Roy, aka “**Rowing Roy**,” gave a talk in Ingleby Cross Village Hall to a sold-out audience on his Double Guinness World Record TransAtlantic Row from Portugal to French Guiana. Duncan gave a gripping account of his five man team of rowers who faced many challenges during the crossing of the Atlantic Ocean, battling adverse weather conditions and technical issues.

Duncan expressed his thanks to the local village community that had supported him throughout the years and helped to mould him into who he is today. Duncan said *“The evening was quite overwhelming for me, the narrative of the presentation is one that is very personal and one that a lot of people in the audience have directly had an impact upon. Sharing this with close friends and family was really quite emotional in a very rewarding sense.”*

Later this year, in December 2018, Row4Victory will set off on the **Talisker Whisky Atlantic Challenge Race** when Duncan and three close friends: Will Quarmby (Skipper), Glyn Sadler and Fraser Mowlem will row across the Atlantic Ocean, from The Canary Islands to Antigua, in support of two charities **The Royal British Legion** and **Soldier On!**

To follow their progress, search **@row4victory** on either Instagram, Facebook or Twitter

Alternatively you can find out more at **www.row4victory.com**

Vice Presidents Required for Ingleby Cricket Club

We are trying to keep the tradition of Village Cricket alive here in Ingleby.

As with everything it comes at a cost, and whilst we strive to be self sufficient and raise funds within the Club, it is becoming increasingly difficult to survive, let alone invest in our facilities.

We would welcome support from cricket lovers, and non-lovers who wish to see this tradition survive, and are inviting residents to become **Vice Presidents** for a membership of £10 per annum.

Please help us to keep village cricket alive here.

For more information, please contact:

David Henderson
Kilton House
Ingleby Cross

Tel: **07977 258400**

Here are the dates of two more Home matches:

Thursday July 19th v Thornton Le Moor

Thursday August 2nd v East Harlsey

A September Date for Your Diary

Every year the Macmillan Cancer Charity hosts a **WORLDS BIGGEST COFFEE MORNING**.

This year a Coffee Morning will be held at Ingleby Cross Village Hall on the morning of **Friday 28th September**.

Please save the date and support this worthwhile cause.

Further details nearer the time....

However if anyone is willing to help, bake, donate prizes etc. please contact **Judith Towers** on:

Judith.towers@btinternet.com or 07955218885

- ***Isabelle Mumford Murder Mystery Dinner***

Note: The previous Murder Mystery Evening was a sell out and much enjoyed by everyone from our village who went along and took part.

Ingleby Villages Garden Club

Have you thought about joining your local Garden Club? 46 of your friends and neighbours already belong, including some from the surrounding area, which is about 17% of the adults in the Parish. Annual subscription is only £3 per person. For that you get the opportunity to attend a couple of talks on garden topics usually held in the Village Hall, to go on a couple of visits to gardens or events and to attend the summer social shared supper hosted by a member of the Club. The AGM is where the programme for the following year is agreed. This is another shared supper - Club members tend to be interested in food and drink as well as plants! Club members are a good source of advice and plants for new gardeners.

There is a lot more information, reports of recent visits and events, and the current programme on the village web site:

<https://www.inglebyarncliffe.org.uk/ingleby-villages-garden-club.html>

The next event, on Monday 3rd September, is a talk by Mr Pat Craven entitled "***Alpines of Iran***". This is not a place you are likely to visit, but he has been there and photographed the local plants in their natural surroundings. Why not come along to the Village Hall at 7.30 pm, hear an interesting talk and meet some of the club members?

For further information or to join the Club contact Josephine Collinson at Elstavale (882302) or Ruth & Gerry Eastham at Chapel Garth (882336).

Neighbourhood Watch Advice

Charity collectors:

People with collecting tins can usually operate within a NCCZ - No Cold Calling Zone: they are often local people collecting as part of a national campaign week such as Christian Aid. However, people who represent charities such as the British Red Cross and want to get residents to sign up to Direct Debits are uninvited callers who are trying to get money from residents and should not be doing so in a NCCZ. Let Trading Standards know the details of the charity and they will write to them requesting that the NCCZ is removed from their calling area.

There is a NCCZ street sign on every entrance road to each village,

and many properties display "No Doorstep Callers" window or door stickers.

Sales people will often use the same excuses: that they did not see the signs, and that they are approved by the Government, North Yorkshire County Council, Hambleton District Council, our Parish Council or the Police. None of these bodies will have given permission for doorstep cold calling.

Sales people can put leaflets through letterboxes inviting house owners to contact them and make an appointment, but they should not be ringing the doorbell and trying to speak to the occupiers without a prior appointment.

If somebody cold calls at your house, the advice from Trading Standards and the Police is to be polite and state that you do not do business on the doorstep. If they persist, politely ask them to leave and close your door.

Please report the incident to Trading Standards or the Police as soon as possible.

Note that the telephone number on the back of the window and door stickers has changed from 08454040506 to **03454040506**. This takes you to the Citizens Advice Consumer Helpline, who will record the details and pass them to North Yorkshire Trading Standards. However, the number is only manned during normal working hours and is often busy so you may have to wait for your call to be answered.

Instead, the Police suggest that you contact them on 101. This takes you to the Police Control Room which is manned 24 hours a day. The other advantage of telephoning the Police is that they are more likely to be able to send somebody to investigate a report of doorstep calling than Trading Standards, due to staff reductions at the latter. The information that you give will still reach Trading Standards as they check the Police logs each day for doorstep calling incidents.

Neighbourhood Watch co-ordinator

We Need Your Help

One of the Parish Council's functions is to decide on the level of the Parish precept and determine how these funds are spent on your behalf.

We need your help in deciding whether we should or should not donate small sums, usually £50 or less to local and national charities. The Charities we have supported in the past have included:

The Yorkshire Air Ambulance
The Citizens Advice Bureau
The Red Cross
The Moors Bus
Age UK
Globe Library (Stokesley Library)

The latter charity was an exception in terms of donations last year when £118.00 was donated to assist in the charity's initial funding.

- The questions we are asking you are: ***Should the Parish Council donate to any charity – Yes or No?*** Residents may well feel that they should make their own decision on whether to donate or not.
- If your response is "Yes" to the Councillors making donations, please tell us which charities you would like the Parish Council to support:

The Parish Council has budgeted up to £250 for donations in the current financial year to the end of March 2019. Residents' responses will be considered when drawing up our policy on making donations in future.

Please let us know by either sending us an email, writing to our Parish Clerk or indeed having a word with one of the Parish Councillors. Any and all replies will be treated in strictest confidence and once the replies have been collated, all replies will be deleted.

Chair of Parish Council: *Councillor Clive Walley*

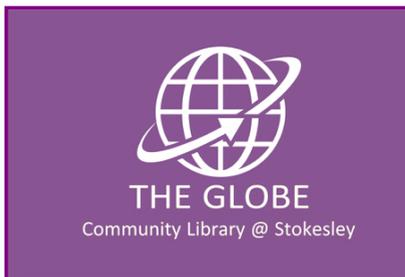

Councillors: *Hazel Warhurst, Ruth Eastham, George Hunter and Diane Shaw*

Summer Adder Warning

Not wishing to alarm people, or discourage walking in our beautiful countryside, please be aware that two dogs from the village were bitten last year-one fatally. Remind children not to touch an adder if they see any. Seek medical advice immediately for bites.
